

**C-WET**

# CENTRE FOR WIND ENERGY TECHNOLOGY

(An Autonomous Institution of Government of India)

## PROVISIONAL TYPE CERTIFICATE

**Certificate No.: PTC II – 014 – R1**

This certificate is issued to

Company : **M/s. RRB Energy Limited**  
Address : No. 17 (Old No. 2), Vembuliamman Koil Street  
K.K. Nagar West, Chennai – 600 078, India

For the wind turbine **Pawan Shakthi – 600 kW**

The certificate attests compliance with “Type Approval - Provisional Scheme – 2000” (TAPS-2000, amended) – Provisional Type Certification Scheme for WT in India, **Category-II**, concerning the design and manufacturing system. It is based on the following reference documents:

PDE- (PTC II-014-CS1) : Partial Design Evaluation Conformity Statement  
Dated : 02-07-2007

PTT- (PTC II-014-CS2) : Provisional Type Test Conformity Statement  
Dated : 03-07-2007

MC- (PTC II-014-R1-CS3) : Manufacturing Conformity Statement  
Dated : 07-08-2008

FDR-(PTC II-014-CS4) : Foundation Design Requirements Conformity Statement  
Dated : 09-04-2007

TC- (PTC II-014-CS5) : Type Characteristics Measurements Conformity Statement  
Dated : 14-06-2007

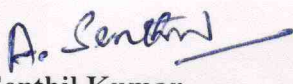

ER- (PTC II-014-R1-FER) : Final Evaluation Report  
Dated : 29-08-2008

The conformity evaluation was carried out according to TAPS - 2000 (amended) – Provisional Type Certification Scheme for WT in India. The WT type is specified on page 2 of this certificate. Changes in the wind turbine design or the manufacturer’s quality system are to be approved by C-WET. If any changes are carried out without approval, the Certificate loses its validity.

This Provisional Type Certificate is valid from 05.07.2008 to 04.07.2009.

Place: Chennai  
Date : 04-09-2008
