

Guidelines/ Incentives for Wind Power Generation in Various States

State	Wheeling	Banking	Buy-Back	Third Part Sales	Capital Subsidy	Other Incentives
Andhara Pradesh	5 % of energy wheeled	Not allowed	Rs. 3.50/ per KWh w.e.f. 09.09.2008 (frozen for 10 years)	Allowed under Electricity Act 2003 subject to regulation framed by respective SERs	Industrial Status	Reactive Power: 10 paise per KVARh upto 10% & 25 paise per KVARh above 10%.
Tamil Nadu	5% of Energy (HT services)	5% (12 months financial year April to March)	Rs. 3.39/ per KWh (No Escalation)	Allowed under Electricity Act 2003 subject to regulation framed by respective SERs		25 paise per kVARh (upto 10% of net active energy generated, 50 paise per kVARh (more than 10%))
Karnataka	5% of Energy	Allowed @ 2% of energy Input	Rs. 3.70/ per KWh without any escalation for 10 years of commercial operation	Allowed under Electricity Act 2003 subject to regulation framed by respective SERs	No Electricity Duty for 5 Years	Reactive Power: 40 paise per KVARh
Kerala	To be decided by SERC	To be declared by SERC	Rs. 3.14/ KWh for 20 years	Allowed under Electricity Act 2003 subject to regulation framed by respective SERs		
West Bengal	7.5% of Energy fed to Grid		Rs. 4/ KWh	Allowed under Electricity Act 2003 subject to regulation framed by respective SERs		Reactive Power: 20 paise per KVARh
Gujarat	7% of Energy	Settlement to be done month to month & surplus energy at the end of month shall be deemed as sold to Utility at 85% of the prevailing Tariff Rate.	Rs. 3.50/ KWh for 20 years	Allowed under Electricity Act 2003 subject to regulation framed by respective SERs	Electricity Duty Exempted	If the Reactive Power is <=10% of energy exported, it would be 10 paise/ KVARh. For Reactive Power > 10% of energy exported, it would be 25 paise/ KVARh.
Madhya Pradesh	2% of Energy	Allowed, but proposal for this invited from DISCOM	Year wise rates (Rs./kWh) from 1st to 20th year 1st yr - 4.03 2nd yr - 3.86 3rd yr - 3.69 4th yr - 3.52 5th yr - To 20th yr - 3.36	Allowed under Electricity Act 2003 subject to regulation framed by respective SERs	No Electricity Duty for 5 years	Reactive Power: 27 paise for KVARh
Maharashtra	2% of Energy + 5% as T&D Loss	12 Months	Rs. 3.50/ KWh (first year of commissioning) (Escalation of 15 paise per year for 13 years)	Allowed under Electricity Act 2003 subject to regulation framed by respective SERs	Power evacuation arrangement, Approach Road, Electricity Duty, Loan to Cooperative societies	Reactive Power: 25 paise per KVARh
Rajasthan	50% of normal charge as applicable for 33 KV, in addition to the transmission charges of 3.6% & surcharge	Six Months (Apr. to Sept. & Oct. to March. Utilization of banking energy not permitted in Dec. to Feb.)	Rs. 4.28/ KWh for Jaisalmer, Barmer & Jodhpur. Rs. 4.50/KWh for all other districts	Allowed under Electricity Act 2003 subject to regulation framed by respective SERs	Exemption from Electricity Duty @ 50% for 7 years	Reactive Power 5.75 paise per KVARh with escalation of 0.25 paise per year
